Dear Sirs,  
We would like to introduce our Company and our range of Products and confirm that **LMP Oils, Batteries & Filters** is our exclusive distributor in the whole of Ireland.

Ramoil Spa (based in Naples) was established in 1963; since then we enlarged our activity introducing the production of further mineral oil products families.

We are one of the largest producers in Europe for:

- White Mineral Oils (Pharma, Cosmetic, Agricultural , Textile and Technical Grades);
- Petroleum Jelly (Pharma, Cosmetic and Technical Grades);
- Process Oils (Polystyrene, Polimers, Rubber, Customer Made Products);
- Transformer Oils (Paraffinic and Naphthenic);
- Paraffin Waxes (Semi and Fully refined Grade), Micro Waxes and Petrolatum for many industrial applications;
- Traditional Automotive and Industrial Lube with our own brand (DUGLAS) or supplied under Customer own brand.

The company is ISO 9001 and ISO 14001certified, SGS quality system also.

We have been working in Italy for major companies like **CASTROL, SHELL, ENI, TOTAL, REPSOL, PETRONAS, TEXACO, Q8**

As for other products in different markets we have long lasting commercial relationships with international clients as Johnson&Johnson, Bayer, Beiersdorf.
